ABOUT CLAYBRICKS

Everlasting Beauty Created From Nature

Claybricks & Tiles Sdn. Bhd. (Claybricks) is presently the largest leading manufacturer and exporter of fine quality clay products in Malaysia. The company manufactures a wide range of burnt clay products, namely:

- Facing Bricks & Blocks
- Brick Veneers & Tiles
- Clay Pavers (Paving Bricks)
- Decorative Bricks, Pavers & Stones
- Garden and Landscape Products
- Bricks of Special Shape & Custom-made Products
- Brick & Paver Accessories

Our state-of-the-art plant, located in Kota Tinggi, Johor, has an annual production capacity of 300,000 metric tons of burnt clay products in wide variety of colors and textures. The texture ranges from Smoothface, Wirecut, Sandblast, Rockface, Cobble, Tumble, Handmade, Decor to Antique, and the color ranges from super red, golden cream, golden peach, golden sand, golden brown, brown, darkbrown, granite, lavender to many other blends and tones. Brick accessories and bricks of special shape are also produced to fulfill individual's needs.

Claybricks produces all products in its state-of-the-art factory using finest clay and under stringent quality control to achieve the highest quality and distinctive features:

- Wide range of authentic earthy colors and textures
- Burnt to exceedingly high temperature to achieve extraordinary strength and durability
- Low porosity to resist stain, fungus growth, salt attack for minimum maintenance
- Permanent color-fast to last a lifetime of satisfaction
- Natural color & texture to allow your home to blend with the surroundings

Our products are ready to cater for various applications, such as:

- Building materials for new building, home improvement or renovation
- Interior & exterior design
- Pavement & driveway
- Garden & landscape (bricks, decor stones, flower pots, fencing, turf pavers, plant guard & etc)
- D.I.Y.

With Claybricks, you will always find a choice to suit your needs from amongst our wide range of products. Call us now, our staff will be very happy to assist you.
