## ABOUT CLAYBRICKS

Everlasting Beauty Created From Nature

Claybricks & Tiles Sdn. Bhd. (Claybricks) is presently the largest manufacturer of fine quality clay products in Malaysia. The company manufactures a wide range of products, namely:

- Facing Brick/Block,
- Veneer Brick,
- Clay Paver,
- Decorative Brick/Block,
- Garden and Landscape Product,
- Custom-make Product, and
- Brick Accessories.

Our state-of-the-art plant, located in Kota Tinggi, Johor, has an annual production capacity of 300,000 metric tons of burnt clay products in wide variety of colors and textures. The texture ranges from smooth face, bark-face, wirecut, rockface, sandblast, cobble, and tumble; and the color ranges from white, cream, grey, brown, purple to many other blends and tones. Accessory brick and brick of special shape are also produced to fulfill individual's needs.

Claybricks produces all products in its state-of-the-art factory using finest clay and under stringent quality control to achieve the highest quality and distinctive features:

- Wide range of authentic earthy colors and textures
- Burnt to exceedingly high temperature to achieve extraordinary strength and durability
- Low porosity to resist stain, fungus growth, salt attack for minimum maintenance
- Permanent color-fast to last a lifetime of satisfaction
- Natural color & texture to allow your home to blend with the surroundings

Our products are ready to cater for various applications, such as:

- Building materials for new building & home improvement or renovation
- Interior & exterior design
- Pavement & driveway
- Garden & Landscape (Bricks, deco stones, flowerpot, fencing, turf paver, plant guard, etc.
- D.I.Y.

With Claybricks, you will always find a choice to suit your needs from amongst our wide range of products. Call us now, our staff will be very happy to assist you.
