CLAYBRICKS & TILES Sdn Bhd

State-of-the-art Plant, Kota Tinggi

Claybricks & Tiles Sdn Bhd. (Claybricks) is presently the largest leading manufacturer and exporter of fine quality clay products in Malaysia. The company manufactures a wide range of burnt clay products, namely:

- Facing Bricks & Blocks
- Brick Veneers & Tiles
- Clay Pavers (Paving Bricks)
- Decorative Bricks, Pavers & Stones
- Garden and Landscape Products
- Bricks of Special Shape & Custom-made Products
- Brick & Paver Accessories

Our state-of-the-art plant, located in Kota Tinggi, Johor, has an annual production capacity of 300,000 metric tons of burnt clay products in wide variety of colors and textures. The texture ranges from Smoothface, Wirecut, Sandblast, Rockface, Cobble, Tumble, Handmade, Decor to Antique; and the color ranges from super red, golden cream, golden peach, golden sand, golden brown, brown, darkbrown, granite, lavender to many other blends and tones. Brick accessories and bricks of special shape are also produced to fulfill individual's needs.

Claybricks produces all products in its state-of-the-art factory using finest clay and under stringent quality control to achieve the highest quality and distinctive features:

- Wide range of authentic earthy colors and textures
- Burnt to exceedingly high temperature to achieve extraordinary strength and durability
- Low porosity to resist stain, fungus growth, salt attack for minimum maintenance
- Permanent color-fast to last a lifetime of satisfaction
- Natural color & texture to allow your home to blend with the surroundings

Our products are ready to cater for various applications, such as:

- Building materials for new building, home improvement or renovation
- Interior & exterior design
- Pavement & driveway
- Garden & landscape (bricks, decor stones, flower pots, fencing, turf pavers, plant guard & etc)
- D.I.Y.

With Claybricks, you will always find a choice to suit your needs from amongst our wide range of products. Call us now, our staff will be very happy to assist you.

CLAYBRICKS' BRICK VENEERS

Crafted from natural clay, the variety and richness of colors make CLAYBRICKS' brick veneers the ideal materials for any home deco (both interior and exterior designs). All you need is imagination, and you can create endless combinations in your own style.

Distinctive Features :

- Timeless Beauty** The natural color is uniquely attractive, everlasting and mellows with time
- Durable** Able to withstand any adverse weather conditions from searing heat to bitter cold, it is one of the most enduring building materials ever known
- Easy Installation** Brick veneer is easy and simple to install, it is a very cost effective cladding material
- Maintenance Free** Brick veneer never rots, fades, warps, dents, or tears, never need to be painted and does not burn. It is maintenance free so you do not have to do anything to keep it looking beautiful
- Energy Efficiency** It renders excellent thermal insulation and works like a layer of insulating plaster
- Quiet** Its excellent sound absorbent properly brings tranquility and a sense of security to your home
